## FOR IMMEDIATE RELEASE

### Fifth Self-Service Kiosk Opens at New Mundy Mill Kroger Marketplace

Gainesville, GA (September 30, 2026) – Hall County residents now have another convenient way to renew their vehicle registration, driver's license, or identification card with the opening of a new self-service kiosk inside the Kroger Marketplace at 4085 Mundy Mill Road in Oakwood.

The new kiosk is Hall County's fifth self-service location and allows customers to renew vehicle registrations and complete eligible Georgia driver's license and ID renewals while shopping. For many residents, it offers a convenient alternative to visiting the Hall County Tax Commissioner's Office on Browns Bridge Road.

"People are busy, and we're always looking for ways to make our services more convenient," said Hall County Tax Commissioner Darla Eden. "Adding a kiosk at the new Mundy Mill Kroger Marketplace allows residents to take care of vehicle registrations and eligible driver's license or ID renewals while they're grocery shopping or running errands. It's another way we're meeting customers where they are."

The kiosk accepts debit cards, credit cards, and digital payment methods. Transactions are protected by PCI Level 1 encryption and SOC 2 Type II certification, meeting the highest industry standards for payment security.

The new location also reflects an innovative partnership between our office and Kroger, one of the nation's largest publicly traded retailers. By placing

government services inside a location residents already visit regularly, the partnership provides a convenient way to access vehicle registration and driver's license renewal services outside of a traditional government office setting.

For questions, please contact the Hall County Tax Commissioner's Office by phone at 770.531.6950, email [jwilson@hallcounty.org](mailto:jwilson@hallcounty.org), or text 833.602.8497.
